

Be careful

Be careful

Be careful

Be careful

Don't climb that

Be careful with that
craft knife

Watch out you don't
get burnt

Keep away from the edge

Be careful

Be careful

Be careful

Be careful

Don't cut yourself

Be careful, it's hot

Don't pick those
berries

Take breaks

Be careful

Be careful

Be careful

Be careful

Keep hydrated and
wear a hat

Don't spill the paint

Make sure you use
that outside

Wear gloves
