You notice that a child is missing from your group.

A parent / carer is late picking up their child and you can't get in touch with them.

You're preparing a cooking activity and know that someone has a food allergy.

It's a really hot, summer day and you're on a site visit. There's very little shade available.

One of your leaders / volunteers phones in sick which means that there won't be enough adults at the session.

A child arrives at your session and you don't have a completed membership form for them.

It's a cold, wet, wintery day and you're due to be outside all session. One of the children has arrived not wearing suitable clothing or footwear.

You're planning a mosaic making activity using tesserae and grout.

The activity you're planning involved using sharp tools.

You've been making model trebuchets and you'd like the children to test them.

You're cooking over an open fire.

A child or volunteer feels unwell half way through a session.

You're taking the group on a trip and have to cross a busy road.

You're planning on an activity that involves making natural dyes.

You're building shelters in the woods.

You're at an archaeological excavation and the children are cleaning finds, some of which have sharp edges.
